From [Asylum](http://www.theasylum.com.sg/v3/#studio), design agency website: "Consider it a world's first: Chocolate bars offered in 100 different flavours. If you are in search of the yummiest range of chocolates, star at the Chocolate Research Facility. Conceptualized by a serious chocolate lover, this new brand and concept boutique-cum.cafe located at Millenia Walk, draws focus to chocolates - both in taste and packaging. We put our creative hats and taste buds to the test in this year-long project."
