

CACTUS NATURAL MINERAL WATER

Properties list:
end-user packaging
single product
new product
bottle
mass-market
plastics
identity by shape
transparent
water

From Tridimage site: "The aim was to design a distinctive bottle that was sympathetic to Cactus' brand values while incorporating optimal structural strength and a large label area. The bottle took also into consideration optimum ergonomics. We also designed the packaging graphics with with visual codes appropriate to the Mexican market"
