STUMPTOWN COFFEE

Properties list:

end-user packaging information about content update coffee, tea and infusions labels and sleeves sachet contemporary identity by system of colour cardboard and paper range of products rough opaque identity by typography

From Fritz Mesenbrink website: "Duane Sorenson, Stumptown?s founder, came to me with th is bag redesign project. He had a bag with a slit in the front of it and wanted a way to display a ton of information about growers, farms, flavors, locations and more. Our solution w as to make cards, colour-coded for each region.
