

COAT RACK

Properties list:

- arts and crafts
- end-user packaging
- extra-use of packaging
- other non-food products
- bottle
- glass and ceramics
- reusability

The Green Glass Company's innovative coat rack, made from discarded wine bottles rescued from the landfill, helps guests stay awhile. 4 bottle tops axed to a glass pane.
?Bottle color and shape may vary slightly depending on the bottles that we have been able to rescue from the waste stream?. Made by The green glass company.
