## PRESHAFRUIT JUICES

## Properties list:

end-user packaging
range of products
new product
juices
flacon
contemporary
plastics
translucent
identity by shape
identity by modular structure
identity by typography

Great work by Australian design firm Pidgeon: "Packaging for a new line of fruit juices by <u>Donnyboy Fresh Food Company</u>. These unique juices are pasteurised using cold pressure rather than heat, which ensures greater retention of nutrition and natural flavour. The juices are available in the following varieties; Royal Gala, Granny Smith, Fuji, Apple & Lemon, Apple & Pear and Valenica."
