The Triennale Design Museum, presented "Message on the bottle", a project of OnDesign, the design and communication agency headed by the Italian-German designer duo Francalma Nieddu and Olav Jünke. They invited their designer friends around the world to p ut a personal message on the bottle as a label or in any form they liked. The resulting works had been presented to the public at the Triennale DesignCafè in Milan on bottles of b iodynamically grown Barbera and gave wines from Piedmont's La Raia wine cellar, after winning a European Design Award in Stockholm with their "wine for you" design, an emblem of the exibiion. The design is a modern reinterpretation of the message in a bottle theme, featuring not a letter, but a fine wine.

In "Chi guida non beve, chi beve non guida" project, a ribbon is softly winded around the bottle and quote the slogan "Drivers don't drink, drinkers don't drive".
