single product  
new product  
confectionery and sweetness  
box  
cardboard and paper  
ironic  
contemporary  
identity by colour  
identity by textures and patterns  
event packaging

This beautifully designed candy calendar by Spanish design studio Series Nemo was a special holiday promotional item. The candy calendar was created and given out to the studio's clients as a unique and festive greeting.

Featuring dark, milk, white and orange-flavored chocolates the candy calendar from Series Nemo isn't an advent calendar, as there are far more than 25 chocolates arranged in the shape of a Christmas tree.
