- end-user packaging
- packaging as a new medium
- range of products
- extra-use of packaging
- concept
- confectionery and sweetness
- flow-pack
- identity by typography
- contemporary
- identity by system of colour

Ocio is a campaign against social abuse unconsciously made. "Ocio" is a way to say "attention" in the North of Italy, the project consists in putting some sentences on the packaging to make people notice those attitudes that can disturb other people and the packaging also promotes a kinder way of life.
