Properties list:
sachet
plastics
cardboard and paper
playful
contemporary
identity by shape
identity by modular structure
unusual structural association
identity by typography
office and stationery
concept
single product
end-user packaging

Burak Kaynak collaborated with Cem Has to execute this interesting idea.

Taking notes can be super delicious, by using the Sliced Bread//Notebook. The first step requires a delicious notebook to hold everything together. It is a 12 slices/notebook set which has been packaged for convenience. Each delicious slice has number on it. (1 to 12) You can use each notebook for the related month.
