range of products
concept
coffee, tea and infusions
other shapes
folding carton
plastics
cardboard and paper
minimal
contemporary
die cut
identity by shape
identity by system of colour
identity by colour

The main idea of this concept is to give a new use to a teabag. The calendar teabags designed by Cho Hee Ha are basically a box of teabags with a variety of teas packaged as the dates of that month. Available in Earl Grey and Darjeeling Oolongs flavours, they come in strips that you rip off day by day.
