LAFOGLIA

Properties list:
event packaging
disposable packaging
concept
other shapes
cardboard and paper
natural
identity by colour
identity by shape

Mini cardboard tray for tasting snacks. "Lafoglia", thanks to a system of folds and grooves, takes on the shape of a leaf, evoking the idea of nature, the earth and its products. Its shape makes it possible to wrap and secure the glass so that the drink is always at hand.
A project for Salone Interazionale del Gusto 2010 (Turin, Italy).
