# EGGSHELL PUDDING

Properties list:

new product
single product
desserts and ice-creams
additional structural elements
other shapes
clamshell
other materials
cardboard and paper
hand-made
eco-friendly
contemporary
unusual structural association
identity by shape
end-user packaging

Packaging for pudding. Eggs are usually a product, not a packaging, but this time they figure as part of the pack by containing the product. Definitely an unusual association.
